

Be Powerful beyond measure

*'Our deepest fear is not that we are inadequate,
Our deepest fear is that we are powerful beyond measure.*

It's our light not our darkness, that most frightens us.

We ask ourselves: who am I to be brilliant, gorgeous, talented and fabulous?

Actually, who are you not to be?

You are a child of the universe.

Your playing small doesn't serve the world.

*There is nothing enlightening about shrinking,
so that other people won't feel insecure around you.*

*We are born to make manifest the glory of the universe
that is within us. It's not just in some of us: it is in everyone.*

*And as we let our own light shine,
we unconsciously give other people permission to do the same.*

*And as we are liberated from our own fear,
Our presence automatically liberates others.'*
